

Global Paint Protection Film (PPF) is an 8-mil thick urethane film that is applied to the painted surfaces of a vehicle to **protect against road rash such as gravel, salt, tree sap, bugs, and bird droppings.**

Global's PPF has all the features and benefits you expect from a premium film - except the premium price!

**Clear Gloss & Matte**

Appropriate for all types of factory paint

**Hydrophobic**

Repels water to maintain original appearance

**Self-Healing**

Light scratches heal by themselves

**Non-Yellowing**

Film is warrantied not to turn yellow

**Clear-Coated**

Makes the film durable and long lasting

**Installer-Friendly**

Repositionable adhesive eliminates most lift lines

**10-Year Warranty**

Your clients can purchase with confidence

**72" Width**

One piece for oversized hoods

**Alcohol-Free**

No need for alcohol or IPA
